

# AVB LOGISTICS, LLC

---

A Trusted Partner of Puerto Rico

# Dedicated Transportation

---

- Port to door and remote material delivery to laydown yards
  - Federal Safety Standards Compliant
  - Qualified and dedicated drivers
  - Understanding of all Hacienda, SURI and port procedures for incoming and outgoing freight
  - Transportation Safety Director Oversight
  - Past performance: collaborated with U.S.A.C.E, PREPA and transportation vendors for material procurement and movement
- 

An aerial photograph of a large industrial laydown yard. The yard is filled with rows of white trucks, many of which are utility vehicles with long ladders. There are also large stacks of materials, possibly pipes or conduits, arranged in neat rows. The ground is paved, and there are some green areas with trees in the background. The overall scene depicts a well-organized and active industrial site.

# Laydown Yard Management with Line Crew Support

- 24/7 On-site security
- Material management with full circle inventory accountability
- Push and Pull Supply Chain Management strategies
- Safety Focused—ensure all material loading & unloading operations conducted safely and efficiently
- Trusted landowner relationships
- Past performance: managed 8 laydown yards throughout Puerto Rico and mobilized several crews and material to the islands of Vieques and Culebra

# Mobilization & Demobilization Management

- Brokered barges from North America and coordinated all movement control to the port in the U.S. to Puerto Rico
- Ensured all demobilizing assets properly prepared for ocean transport back to mainland U.S.

# Housing Management

- With coordination from the U.S. Coast Guard, our team wrote and established port security plans (PSP) to house 550 personnel in Yabucoa Harbor
  - Limited the strain on local community post disaster
- 100% Personnel Accountability—scanned in and out 24/7
- Managed 24-hour security, food, fuel, water, laundry, sewer removal, and daily housekeeping services for crew comfort and limit distractions
- Long-term, mobile and temporary housing management experience

# Aviation Support

---

- Aviation Safety and Support Services Provided
- Landing Zone (LZ) establishment and key management oversight on 3rd party invoicing, safety, flight hours and risk management
- Aviation fuel management and coordination
- Pilot support and additional services as needed
- Past performance, team managed 6 aviation assets on island
